Sir:

The references cited on the attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of the references, numbers 1-5 and 12, are enclosed herewith. Copies of the references, numbers 6-11, cannot be supplied as they refer to expired web-sites cited by the Examiner in a related U.S. Patent Application No. 09/372,350, filed August 11, 1999, now U.S. Patent No. 6,499,052. A careful search through the file wrapper in the Office has turned up no copies of these documents. A subsequent web search turned up related web pages for references 6, 7, 9 and 11. These related references are cited as reference numbers 13-16. Reference numbers 8 and 10 did not turn up during the web search nor were similar references found. It is respectfully requested that the cited references be expressly

considered during the prosecution of this application, and that the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
